SUITES OVERVIEW

In total, the Riverside Mozart offers 81 suites in 6 different categories distributed on the 1st and 2nd decks.

The Mozart Suite connects with the Riverside Suite to form the Owner's Suite. It has two bedrooms, two bathrooms with shower and bathtub, and a guest toilet. In the stylish living room you can sit by the fireplace and read a book, dine privately with the family or do a few things with the computer at the desk.

OWNER'S SUITE

The spacious Mozart Suite has a bathroom with two sinks, shower and bathtub, as well as a guest toilet. There is also a walk-in closet. A marble-framed fireplace, marble mini-bar, and small sculptures adorn the stylish living room. The view from the king-size bed aims directly out to the water.

MOZART SUITE

The Penthouse Suite is extremely comfortable and, at 30 square meters, large enough for a child to sleep on the pull-out sofa, for example. Like the Mozart and Owner's Suite, it has a bathroom with two washbasins, shower and bathtub, and a walk-in closet.

PENTHOUSE SUITE

Our Riverside Suite is located on the upper deck. It has a bathroom with a shower. A small desk offers the possibility to make your own notes and a comfortable sofa invites you to relax on the French balcony.

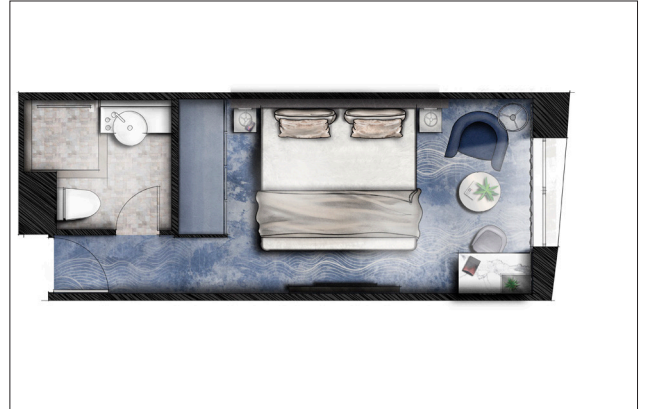

RIVERSIDE SUITE

Our Symphony Suite has a bathroom with a shower. It is unique. It differs from the Harmony Suite by its location on deck 2 and thus has a French balcony. The Symphony Suite does not have a sofa, but a comfortable armchair.

SYMPHONY SUITE

The Harmony Suite is located on the lower deck. A small desk offers the opportunity to make your own notes and a comfortable sofa invites you to relax. The Harmony Suites do not have French balconies, but they do have fixed-glazed windows with plenty of natural light.
